

SHINY PARTY PEOPLE

I understand that:

☐

By paying the 50% deposit I am agreeing to the T&Cs. The 50% balance is then due no later than 14 days before the date of hire.

☐

The deposit is non-refundable. It is however transferable subject to availability.

☐

I will be invoiced for any props which are damaged (beyond reasonable wear and tear), lost or stolen.

For bookings that contain balloons:

☐

The balloons used are made from 100% natural latex and so any latex allergies must be declared before booking.

☐

Balloons are hazardous to children and are a choking risk. Children must not be left unsupervised around any set up. Any burst balloons must be disposed of responsibly.

☐

Command hooks may be used inside and adhesive hooks outside to secure balloon displays. By returning the booking form and paying the deposit I am giving my permission for the use of these hooks and understand the potential risk of damage.

☐

Balloons should not be placed in full sunlight, by a heat source or left in a car overnight.

☐

Balloons are delicate. Sharp objects and direct heat sources must be kept away and children should not be allowed to play near the setups.
